Alexander Bateman is a Partner at Ruskin Moscou Faltischek, P.C., where he is the co-chair of the firm's Health Law Department, White Collar Crime and Investigations Practice Group, and Not-for-Profit Practice Group. He is also a member of the firm's Crisis Management, Veterinary Law, Alternative Dispute Resolution, Blockchain Technology and Digital Asset, Corporate Governance, and Securities Disputes and Enforcement practice groups.

Alexander's work primarily involves representing healthcare professionals and companies in the areas of federal and state criminal and regulatory matters, such as Medicare/Medicaid fraud and professional disciplinary proceedings. He is active in developing and implementing corporate compliance programs for hospitals and other healthcare providers. He also works in white-collar criminal defense, including government funded and private insurance fraud and abuse cases.

Prior to joining the firm, Alexander was a trial attorney with the Suffolk County District Attorney's Office where he investigated and prosecuted cases in the areas of felony street crimes, organized crime, narcotics, sex crimes and political corruption.

Alexander is a member of the New York State Bar Association's Health Law Section and a former chair of that section's Committee on Licensed Professionals. Alexander is also a member of the Suffolk County Bar Association and the Suffolk County Criminal Bar Association. Alexander is also a board member and member of the executive committee of the United Way of Long Island.
