

OCM Has Declared October 4th New York's Opening Day For Adult-Use Cannabis Applicants

The wait is over for all those on the sidelines hoping to open their cannabis business. The Office of Cannabis Management (OCM) has declared October 4, 2023 opening day for five different license applications for all eligible applicants:

- Adult-Use Cultivators
- Adult-Use Processors
- Adult-Use Distributors
- Adult-Use Retail Dispensaries
- Micro-businesses

New York Cannabis is complicated. Ruskin Moscou Faltischek, P.C. has been at the forefront of New York's emerging regulatory marketplace. We will continue to assist clients navigate these uncharted waters and help applicants successfully achieve their business goals.
